Case No. AP-87-01

The public hearing in this matter was concluded on February 19, 1987. On March 12, 1987, staff counsel filed a petition to reopen the record to receive a compliance review of applicant conducted by the United States Department of Transportation, Federal Highway Administration, Bureau of Motor Carrier Safety (DOT) and insurance information about applicant received by DOT. Staff counsel states that the documents were received after the close of the hearing and that the documents are relevant to applicant's fitness.

On March 23, 1987, counsel for applicant filed a petition to reopen the record to receive certain correspondence from DOT's Regional Director for Motor Carrier Safety. In addition, applicant requests that if the motion of staff counsel is granted, applicant be allowed an opportunity to submit additional evidence in response thereto.

Both petitions are hereby granted, and the documents therein at issue are received into the record. Applicant is hereby granted an opportunity to submit additional evidence in response thereto, as requested. Such evidence shall be submitted within ten days of the service date of this order.

IT IS SO ORDERED.
